CLEANERS & DEGREASERS WATER BASED

The Professional Detailers First Choice

DUCA-SOL EXTRA

A Powerful, concentrated all-purpose cleaner & degreaser. Dissolves all petroleum based products, dirt's, grime, glue, soot, road film, brake dust and bugs. Duca-Sol Extra has degreasing properties to combat even the dirtiest and greasiest surfaces.

SNAPPY CLEAN

A very special highly concentrated, fast working cleaner/degreaser that breaks down and dissolves grease, dirt & grime. Low caustic. Biodegradable. No arsh fumes, low to no odor. Great for cleaning inside vehicles

POTASSIUM HYDROXIDE BASE

207DDF1004 1 GAL
207DDF1020 5 GAL
207DDF1205 DRUM

POWER HOUSE II

Powerful, concentrated all-purpose cleaner & degreaser. Works great on Alberta gumbo.

SODIUM HYDROXIDE BASE

207DPH2004 1 GAL
207DPH2020 5 GAL
207DPH2205 DRUM

ALL PURPOSE CLEANER

A low-cost universal concentrated cleaner. Use to clean vinyl's, floor mats and whitewalls. Do not use on glass

207DAP1004 1 GAL
207DAP1020 5 GAL
207DAP1205 DRUM

FALL-OUT REMOVER

Specially designed to remove iron dust particles embedded in paint film. A combination of oxalic acid and sulphuric acid removes tiny dots of rust without damaging paint finish.

207FR1020 5 GAL
207FR1205 DRUM

A-50 ALUMINUM CLEAN

Fast acting acids and wetting agents remove road film, oxidation and most dirt's from unpainted aluminum surfaces leaving a shiny finish.

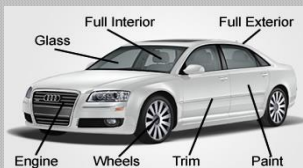

207AC1004 1 GAL
207AC1020 5 GAL
207AC1205 DRUM

YELLOW PINE FLOOR CLEANER

A concentrated powdered floor cleaner. Leaves shop floors clean, clean, clean. Free rinsing with a hint of pine.

207YP1020 5 GAL

SOLVENT CLEANERS

The Professional Detailers First Choice

DURO-SOLV

This super solvent removes wax, silicone, pin stripping adhesives and decals. Great paint prep. Removes grease from upholstery and carpets.

207DDS1004 1 GAL
207DDS1020 5 GAL
207DDS1205 DRUM

LACQUER THINNER

Lacquer Thinner is also ideal for cleaning spray guns and spraying equipment used for lacquer paints. Both auto body paint shops and do-it-yourself enthusiast who spray their cars use Lacquer Thinner to flush out equipment after each use and to clean brushes and rollers.

207LT1004 1 GAL
207RC13558 5 GAL

RAPID REMOVER

Adhesive Remover works in 30 to 60 seconds, safe "water soluble" formula. Will not cause damage to most painted or bare metal surfaces. Easily removes decals & stickers.

207RR32 1 GAL
207RR128 5 GAL

CITRO POWER

This product is a water-based natural powerful citrus solvent degreaser emulsifier deodorizer for a multitude of industrial and food plant applications. It is NON CORROSIVE and contains no harmful chlorinated solvents, acids

207CPJ48420 5 GAL

TOLUENE

Toluene is a thinner for specialty paints and coatings. It is a good general cleaner and degreaser. Its evaporation rate is slower than acetone but faster than Xylene

207DTO1004 1 GAL
207DTO1020 5 GAL

GUN WASH

Gun Wash is economically ideal for cleaning spray guns and spraying equipment for oil based paints and Lacquers.

207GW1020 5 GAL

R1 TAR, WAX, GREASE REMOVER

A non-harmful solvent for removing tar, wax & grease. Will not harm cured paint. Great for removing decals and stickers.
***Body Shop Safe**

252SY1344	7 INCH

Blue Uro-Cell Pads--for heavy paint correction.

Blue Uro-Cell pad is great for major paint defect remediation, including scratch reduction and removal of heavy oxidation. And if you find that the paint still needs a bit of shining up, switch to the Orange Uro-Cell pad and your favorite polish.

252BS655BN

Orange Uro-Cell Pads--for light paint correction and polishing.

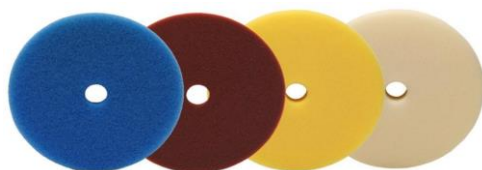

These pads are excellent for removal of minor paint defects like wash scratches, cob-webs, and light swirls. Or use with your favorite polish or swirl remover for standard polishing to bring out the shine of the paint after heavier compounding.

252BS683BN

Red Uro-Cell Pads--for final finishing and wax/sealant application.

These pads are made of dense finishing Euro foam that yields great chemical dispersion for even results. The pads have low "mechanical" ability, meaning they produce minimal action on the paint. Thus they are excellent for final finishing using finishing or swirl-removing polish, without worry of adding any swirls or orbital haze.

252BS622BN

BUFF & SHINE URO-TEC FOAM PADS

Buff and Shine's Uro-Tec Foam Pads come in four grades to cater to virtually any paint condition, any paint perfecting chemical, and any technician's preferences. The Blue pad is for compounding and heavy cutting to remove heavy paint defects. Burgundy is designed to provide medium cutting ability and can be used for heavy polishing. Yellow is used for general-purpose polishing to remove minor paint imperfections. White is used for final finishing as well as application of wax or sealant.

252BS634BN - 6" YELLOW POLISH PAD
252BS672BN - 6" MAROON HEV/ CUT PAD

The Nanoskin Autoscrub Wash Mitt is a fast, easy way to remove above surface contaminants on automotive finishes. The Nanoskin Autoscrub Wash Mitt is a rugged microfiber mitt with one side finished in a high-tech rubber polymer coating that removes above surface contaminants like paint overspray, bugs, tar, rail dust and industrial fall out – as you wash your vehicle! The Nanoskin Autoscrub Wash Mitt is better known as the clay mitt because it effectively replaces the traditional clay bar as your go-to means for removing bonded contaminants. The Nanoskin Autoscrub Wash Mitt is perfect for professional detailers or those who simply seek an easier means of removing contaminants before polishing

The Nanoskin Autoscrub Wash Mitt requires less time than detailing clay while doing a better job at removing contaminants so you can spend more time on the paint polishing process. If you drop the Nanoskin Autoscrub Wash Mitt on the ground, simply rinse it off with water.

MAGNASHINE

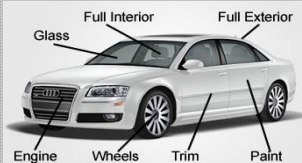

Headlight Restoration Kit. Restores dull and discolored plastic headlight lenses so they look and perform like new. Kit will repair at least 12 lenses.

230HTHRK01

EA

PROTECTIVE COATINGS & SPRAY EQUIPMENT

The Professional Detailers First Choice

WAXGUARD RUSTPROOFING

Superior bonding through extensive use of selected resins. Virgin waxes with high and low melting points in aggressive solvents, penetrates deeply into crevasses, weld joints and surface imperfections. Displaces water and moisture at the metal wax guard interface. Shingling effect to reinforce the non-porous, non-moisture penetrating properties.

211WR1020 5 GAL

FABRIC - CARE

Highly concentrated self-curing silicone compound ideal for protecting all fabric types. Fabric Care adds extra life to fabrics by reducing fibre friction. Beading action makes spills easy to clean. Repels oil and water based stains (coffee, juice, etc.).

Quick disconnect, includes 360° nozzle and rigid spray nozzle.

245DSASSE

UNDERCOAT- HEAVY

Latex rubber offers cold weather flexibility. High speed rotating filtering system virtually eliminates "plug-ups" at the gun tip. 2-3 hours dry time. 100% asbestos free. Easily applied with Airless or Air breakup spray equipment. Thixotropic; allows for build up to various thicknesses without dripping or running. Available in heavy or light format and WATERBASE

211U21060 KEG
211U21205 DRUM

FABRIC PROTECTOR

Repels Stains. Use on Velour, Upholstery and Fabric. Improves Colour Longevity

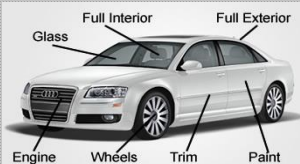

211HT18026

COLD SPRAY WAX

A cationic liquid polish & dewatering agent. When this solution is sprayed on the car it is attracted to the metal surface like a magnet

230CS1020 5 GAL

PROTCARPET DYES & SPRAY PAINTS

The Professional Detailers First Choice

HI-TECH SPRAY PAINTS - 12 oz

Produces a tough durable finish and is designed for either interior or exterior use. Can be used on most types of metal and wood. Hi-Tech paints are specially formulated to dry quickly and smoothly. Great hiding properties with anti-sag agents added.

Ordering is as easy as 1-2-3 !

1. Your salesperson will be at your door as agreed to review your order/purchase on your scheduled delivery date; or you can arrange for a regular “standing order”, “which is a selection of products that you have chosen to be delivered each time.” “Standing orders” can be changed any time and you still have the flexibility to order additional products each delivery. This is all done in accordance with min/max inventory levels set by you the customer.
2. To ensure that we load correctly in the morning, please fax your order directly to your local salesperson 24 hours prior to your scheduled delivery date.
3. If you require immediate delivery and cannot wait until your regularly scheduled date, please contact your Salesperson. Ducan will use all reasonable means to get the product to you.

Terms & Conditions:

Terms: Net 30 days, o.a.c. - 2% per month will be charged on all overdue accounts.
Account Balances over 90 days automatically become C.O.D.

Payments: Can be made by Visa, MasterCard, cheque, money order, cash.
We encourage customers not to remit cash.

A Statement of Account will be mailed directly to you. Please return with your cheque and the Remittance portion of the Statement. You may leave a cheque available for pickup or mail it to our Head Office at the address below.
