INTRODUCING DUCAN PREMIUM LINE!

DUCAN'S PREMIUM CHEMICAL LINE

Ducan's premium chemical line was scientifically developed to directly compete with some of the toughest brands out there. Our new chemical line will not only make your job easier, but it will also help you save money! Ducan's premium chemical line will amaze even the most experienced detailer!

BLUE HAWAII RTU DRESSING

- **HIGH GLOSS DRESSING**
- **RTU WATERBASE**
- **LONG LASTING**
- **XTREME BACK TO BLACK LOOK!**

1 GAL / 5 GAL / 55 DRUM
215DBW1004 215DBW1020 215DBW1205

DESCRIPTION: BLUE HAWAII – Ready to use, no mixing, no mess. A gloss that rivals any dressing. Provides a long lasting shine. Gives tires the extreme black look you want! Safe & non-toxic

Dilute with water to achieve ideal strength

DIRECTIONS: Shake well. Spray or wipe directly onto clean dry tire. Allow BLUE HAWAII time to penetrate for maximum gloss and protection. Wipe off any excess with clean soft towel. Reapply if higher gloss is desired. Use after each vehicle washing for constant maximum shine and protection. Great for Engine compartments, exterior black vinyl & plastics

INTERIOR: Cut 50/50 for interior use with vinyl & plastic.

INTRODUCING DUCAN PREMIUM LINE!

DUCAN'S PREMIUM CHEMICAL LINE

EXPRESS WASH VEHICLE WASH / SOAP

- EXTREME HIGH FOAMING STABLE SUDS
- BIODEGRADABLE
- HAND OR MACHINE USE
- SUPER CONCENTRATED

1 GAL / 5 GAL / 55 DRUM
207DXW1004 207DXW1020 207DXW1205

DESCRIPTION: A thick, super concentrated blend of high foaming surfactants designed to gently remove soil and road film. Makes mountains of free rinsing foam that last wash after wash. Pleasant scent, biodegradable.

Express wash is formulated to perform even in hard water areas.

Dilute with water to achieve ideal strength

DIRECTIONS: Pour 1-2 ounces of EXPRESS WASH into a 5 gallon pail. Use water pressure to create suds. Wash surface with soft cloth, wash mitt or vehicle wash brush. Rinse with fresh water. Do not allow product to dry on surface. Pour 0.5-1 ounces of EXPRESS WASH into a foaming gun and add water. Increase soap amount to reach desired foaming action.

FIRST CHOICE TIRE DRESSING

- SUPER RICH DEEP SHINE
- TIRES, PLASTICS & RUBBER MOULDINGS
- FAST DRYING - LOW SLING
- RESTORES BACK TO BLACK LOOK!

1 GAL / 5 GAL / 55 DRUM
215DHS1004 215DFC1020 215DFC1205

DESCRIPTION: A deep penetrating, long lasting solvent base dressing for use on tires, moldings and vinyl tops. Superior shine and high hiding finish due to a special blend of silicones. Detergent resistant. FIRST CHOICE Tire dressing is a super high shine, silicone based, dressing for exterior surfaces. Brush or sponge application is recommended.

Quick dry, low sling-off formula works great on wet tires. It really completes "the look" that auto detailers want.

NOTE: SOLVENT BASED DRESSING

DIRECTIONS: This is a RTU solvent based dressing, simply pour your desired amount into a spray bottle and use it to dress tires, mouldings & exterior vinyl surfaces. For best results, apply to a clean, dry surface.

FAST REMOVER ADHESIVE & DECAL REMOVER

- REMOVES MOST TYPES OF GLUES & ADHESIVES
- FAST ACTING
- SAFE FOR USE ON METAL, PAINT, GLASS & VINYL

WORKS IN 60 SECONDS!

1 QT / 1 GAL / 5 GAL
207DFR1001 207DFR1004 207DFR1020

DESCRIPTION: FAST REMOVER can be used on a wide variety of surfaces including metal, fiberglass, glass, vinyl and most painted surfaces that have been properly cured. Limitation: Always test a small area for compatibility.

Avoid use on Latex paint, Styrofoam, styrene and plastic as FAST REMOVER may damage surface

This is a Ready To Use product.

DIRECTIONS: Using a heat gun or heat lamp to soften the decal, slowly pull the decal at a 45 angle from the surface. Spray FAST REMOVER on the adhesive residue and let dwell for at least 60 seconds, but no longer than 120 seconds

Remove softened adhesive with PLASTIC razor blade or squeegee. Respray FAST REMOVER and wipe remaining residue with a paper towel or microfibre cloth.

Rinse area with water

INTRODUCING DUCAN PREMIUM LINE!

DUCAN'S PREMIUM CHEMICAL LINE

INTERIOR CLEANER PLUS

CLEANER / INTERIOR

- CLEANS WITHOUT SCRUBBING!
- GREAT SMELL THAT DEODORIZES
- SAFE & EASY TO USE!

1 GAL / 5 GAL / 55 DRUM

207DIC1004 207DIC1020 207DIC1205

DESCRIPTION: Gently cleans surfaces, lifts stains and deodorizes offensive smells on upholstery, carpet, vinyl, plastic, floor mats and smooth leather. Quickly penetrates to remove pollutants, oils, stains, food spills, smoke film and ground-in dirt. Safe on most wettable surfaces. Leaves behind UV protection.

Dilute with water to achieve ideal strength

DIRECTIONS: Pretest on an inconspicuous area. Do not use if color or texture is affected. Mist on surface, do not saturate or soak fabrics. Wipe or rub surface with clean towel or damp sponge. Wipe dry with clean towel, until towel remains clean. For heavy duty cleaning, allow time to penetrate and scrub surface if necessary.

Pairs great with TORNADOR machines for fast easy cleaning!

HYPER SHINE

CONCENTRATED DRESSING

- HYPER CONCENTRATE
- WATER-BASED FORMULA
- INTERIOR/EXTERIOR USE
- 1 GALLON MAKES 5 GALLONS OF MULTI PURPOSE DRESSING!

1 GAL / 5 GAL

215DHS1004 215DHS1020

DESCRIPTION: Dilutes with water to make a multi-purpose dressing for use on interior and exterior surfaces, such as; vinyl, plastic and rubber. Provides a long-lasting shine. Great for engine compartments. Non-toxic and non-flammable

Depending on dilution ratio selected - Hyper Shine can be used on Tires, Interior vinyl & plastics & exterior vinyl & plastics .

All concentration levels can be applied by spray or wiping. HYPER SHINE Concentrate is a perfect detailing product for all dressing applications

DIRECTIONS: Can be diluted with water to adjust level of shine No sling-off, leaves no streaks or surface haze. HYPER SHINE can be diluted with water up to 4: 1 to adjust the level of shine. For an ultra high-gloss finish, use at a full strength 1:1 ratio, or dilute up to a 4:1 ratio with water for a more natural gloss finish.

PURPLE PLUS PRO

DEGREASER/CLEANER

- INDUSTRIAL STRENGTH DEGREASER/CLEANER
- HIGHLY CONCENTRATED
- GREAT FOR ENGINES, TIRES, RIMS & MORE!

1 GAL / 5 GAL / 55 DRUM

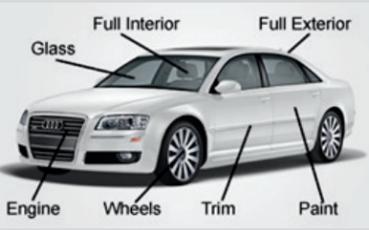

207DPP1004 207DPP1020 207DPP1205

DESCRIPTION: Purple Plus Pro is an industrial strength concentrate which is formulated to be both effective and economical. Purple Plus Pro removes oil, grease, rust stains, carbon, dirt, etc. from engines, rims, door jambs, tires, carpets, upholstery, concrete floors, etc.

Dilute with water to achieve ideal strength

DIRECTIONS: Product must be diluted with at least equal parts water prior to use. Do not let cleaner dry on surface, rinse off while wet. Avoid spraying on aluminum wheels, chrome wheels or painted surfaces as product may stain, particularly when surfaces are hot. Tires: spray directly on tires and let stand for a few seconds. Scrub white walls with tire brush if necessary. Rinse with high pressure spray.

Upholstery & Vinyl: Dilute with at least 5 parts water to 1 part cleaner or add 2-4 oz to 1 gallon shampoo solution.

CLEANERS & DEGREASERS WATER BASED

The Professional Detailers First Choice

DUCA-SOL EXTRA

A powerful, concentrated all-purpose cleaner & degreaser. Dissolves all petroleum based products, dirt, grime, glue, soot, road film, brake dust and bugs. Duca-Sol Extra has degreasing properties to combat even the dirtiest and greasiest surfaces.

BUFFING PADS

The Professional Detailers First Choice

EdgeGuard™

Presenting the "EdgeGuard" Foam Buffing Pads: transforming the industry with cutting-edge technology for precise centering and enhanced backing plate edge protection. Crafted for durability, these pads feature a reinforced polymer pocket that ensures tear-free removal, while their extended edge profile allows for easy buffing around complex contours.

BLUEBERRY FOAM PAD

The Blueberry foam is engineered with a firm, dense structure, making it ideal for tackling tough, stubborn imperfections and achieving a high-gloss finish on various surfaces. This pad is excellent for **heavy polishing**.

252BS556EG 6 INCH

MAROON FOAM PAD

The maroon foam is engineered to provide medium-level cutting ability, making it effective for removing moderate imperfections, swirl marks, and oxidation while still delivering a smooth, refined finish.

252BS572EG 6 INCH

YELLOW FOAM PAD

The yellow foam is soft yet firm, making it ideal for finishing and polishing tasks by effectively removing light imperfections, swirl marks, and haze, while enhancing the depth and clarity of the paint.

252BS534EG 6 INCH

WHITE FOAM PAD

The white foam is soft and gentle, making it perfect for delicate polishing and finishing tasks, such as removing light swirl marks and fine imperfections, while boosting paint depth and clarity.

252BS592EG 6 INCH

BUFF & SHINE URO-TEC FOAM PADS

Buff and Shine's Uro-Tec Foam Pads come in four grades to cater to virtually any paint condition, any paint perfecting chemical, and any technician's preferences.

- The Blue Pad is for compounding and heavy cutting to remove heavy paint defects.
- The Maroon Pad is designed to provide medium cutting ability and can be used for heavy polishing.
- The Yellow Pad is used for general-purpose polishing to remove minor paint imperfections.
- The Black Pad is used to remove ultra fine imperfections safely and easily. It also works great when applying liquid waxes and or sealants.

- 252BS654CR - 6" BLUE HEAVY CUT PAD
- 252BS672CR - 6" MAROON MEDIUM PAD
- 252BS634CR - 6" YELLOW POLISHING PAD
- 252BS620CR - 6" BLACK FINAL FINISHING PAD

PAD EXTREME 100% WOOL SINGLE SIDED

Extreme 100% Wool Single Sided Velcro® Pad. Its exclusive design combines two kinds of wool and special internal support to improve flexibility. The pad extreme provides a faster elimination of 1200 grit scratches.

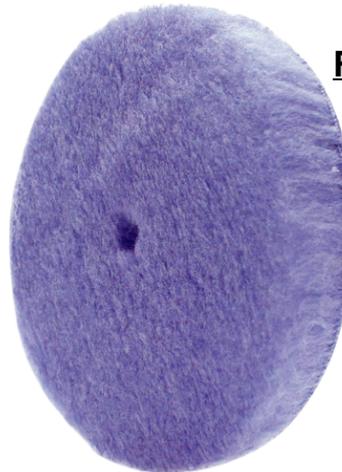

252SY13310 6 INCH
252SY1348 7.5 INCH

FLEX PAD PURPLE FOAMED / WOOL

Fast cutting power that is compatible with all types of paint. It produces a deep and perfect shine. Easy to clean and leaves a perfect finish. Great roughing power. Ideal for working on 1200 grit.

SILEX 9H CERAMIC COATING

This unique ultra concentrated SiO₂ formula will leave a mirror-like clear coat with extreme 9H hardness and water-repellency. Quartz treatment contains the latest SiO₂ Technology. Relentless water beading and a self-cleaning effect will keep your car protected and ultra shine bright in between washes.

230SY1612100 100ML BOTTLE KIT

SUPER HEAVY CUT COMPOUND 300

The ultimate abrasive polish for maximum sanding removal further improved

The ultimate sanding polish for modern automotive clear coats, offering maximum cutting power and advanced technology. SHCC 300 eliminates P1200 grit sanding marks and signs of wear in minimal time—without harming the surface. Formulated without harsh solvents.

- Body Shop Safe

230M3001L 1 L

HEAVY CUT COMPOUND 400

An innovative automotive polish that removes scratches and creates gloss in a single step

This professional-grade formula for clear coats—now even further improved—consistently produces a brilliant shine. A top choice among detailers, it removes sanding marks with exceptional speed, clears away scratches efficiently, and creates a glossy finish in a single process. Its advanced polishing technology uses diminishing abrasives for superior results.

- Body Shop Safe

230M4001L 1 L

CUT FORCE PRO

The Gold Standard in Paint Repair

A high-performance polish in a class of its own. It rapidly eliminates scratches, sanding marks, and signs of wear with impressive cutting power. Menzerna's advanced polishing technology ensures maximum defect removal while still delivering exceptional gloss. This polish elevates paint correction, revitalizing heavily used clear coats and producing a rich, deep shine.

230MCFP1L 1 L

ONE-STEP POLISH 3 IN 1

Medium Cut polish – high-gloss finish and seal in one

A truly unmatched all-purpose solution. It removes 3000-grit sanding marks, effortlessly clears smears, swirls, and haze, and preserves a deep high-gloss shine—all with one product. This one-step polish delivers both speed and ease of use, making it perfect for beginners as well as for detailing used or older vehicles.

- Body Shop Safe

230M3IN11L 1 L

MEDIUM CUT POLISH 2400

A liquid fine abrasive polish for the removal of moderately deep scratches

The ideal Medium Cut polish for effortless application on older, dry paint systems or extremely soft ('sticky') coatings. It quickly removes car-wash marks along with moderate and fine scratches in the paint. Enhanced workability provides easy handling and brilliant, glossy results.

- Body Shop Safe

230M24001L 1 L

MEDIUM CUT POLISH 2500

A glossy fine abrasive polish for the removal of moderately deep scratches

This Medium Cut polish delivers the perfect balance of sanding mark removal and gloss enhancement on automotive clear coats. It's ideal for correcting moderately deep scratches and eliminating signs of wear—while consistently producing outstanding shine.

- Body Shop Safe

230M25001L 1 L

POWER LOCK ULTIMATE PROTECTION

Polymer sealant for all automotive clear coats

This durable specialty product provides a long-lasting protective seal and safeguards surfaces against environmental impacts. Its polymer formula delivers an outstanding beading effect along with an exceptionally deep shine. It's also ideal as a long-term protective sealant for new vehicles.

230MPL32OZ 1 L

SUPER FINISH 3500

High-gloss polish for a perfect mirror finish

This exceptional polish eliminates polishing marks, micro-scratches, and holograms to deliver a flawless, mirror-like finish. Its deep colour makes it especially well suited for enhancing black and other dark automotive paintwork.

- Body Shop Safe

230M35001L 1 L

SUPER FINISH PLUS 3800

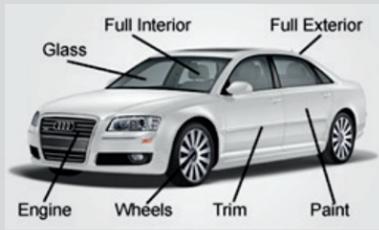

High-gloss polish for maximum deep shine

This automotive polish delivers exceptional results, removing micro-scratches and holograms to create a brilliant, flawless shine. It's the ideal solution for achieving maximum high-gloss depth on black and other dark paint finishes.

- Body Shop Safe

230M38001L 1 L

WAXES & POLISHES

The Professional Detailers First Choice

OBERK SOLE - ONE STEP - MEDIUM POLISH

Oberk Supreme Sole (OSP) is a high-quality, one-step polish designed for situations requiring more cut than standard Oberk Polish, delivering strong defect removal with excellent finishing on any machine or pad type. Developed as a simple, reliable solution for high-volume or moderate-correction needs, it removes P2000 sanding marks, contains no fillers, and is body-shop safe.

230ONESTEP32 1 QT

OBERK 2-STEP SYSTEM 32oz

The Oberk Duo Package eliminates the guesswork in paint correction by combining a filler-free, two-step Supreme Cut and Polish system that removes light to severe defects on all paint hardness levels while restoring clarity, gloss, and precision.

230CUT32 1 QT
230POLISH32 1 QT

REFLECT FAST ONE SHOT

A premium glaze, swirl remover that is effective on clear coats and all modern finishes. Contains cleaners and polishing agents that work to remove or fill in scratches, enhancing the shine. It also works to eliminate swirl marks and correct slight paint problems while creating a deep lustre.

230RF40004 1 GAL

MIAMI SHINE

Experience unparalleled shine and protection for your vehicle with Ardex Miami Shine, a high-quality liquid paste wax expertly crafted for automotive clear coats and marine single-stage, acrylic, and urethane paints. Enriched with Carnauba Wax, Banana Oil, and durable protective polymers, this wax is built to endure the intense heat, humidity, and salt air of Miami's environment.

230A4265G 1 GAL

FLITZ METAL PASTE 1 LB JAR

Flitz paste polish is unsurpassed in its ability to clean, polish, de-oxidize, and protect. It provides a durable finish with tough protection. It's non-abrasive and non-flammable, and leave a shine and protection that lasts up to 6 months!

Use on:

- **Metals:** Aluminum, Brass, Copper, Silver, Chrome, Stainless Steel, Nickel, Bronze, Gold, Platinum, Pewter, Anodized Aluminum
- **Surfaces:** Painted Finishes, Fiberglass, Plastics, Glass, Cultured Marble, Granite, and more
- **Easily Removes:** Tarnish, rust, oxidation, lime deposits, heat discoloration, and more

230CA035166 1 LB

4225 SMART CUT

Ardex 4225 Smart Cut Compound is the ideal solution for prepping your paint before applying polish or wax. This advanced "intelligent" compound minimizes hazing and helps achieve a flawless shine. For the best results, always start with a clean, dirt-free surface to prevent hazing and scratching. Proper surface preparation is essential for a high-quality finish, and with Ardex 4225 Smart Cut Compound, you'll maximize the performance of your polisher and wax, delivering professional results that will impress your neighbors.

230NW422501 1 GAL

INSTA-SHINE - CERAMIC SPRAY PROTECTANT

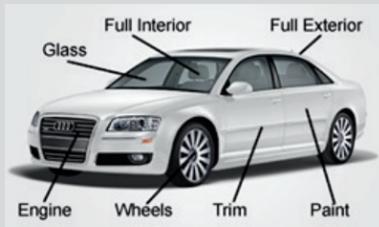

INSTA-SHINE Ceramic Spray Protectant is our hydrophobic, durable quick detailer that adds a protective layer over your vehicles surface and hardens to a rich, glossy finish. It's simple and easy to apply -- Spray on and wipe off! INSTA-SHINE can be applied to paint, plastic, trims, and glass, making it the perfect choice for a ready to use surface protectant.

It also works great as a quick detailer in between washes.

Add the perfect final touch with INSTA-SHINE!

ORDERING IS AS EASY AS 1-2-3!

1. Your salesperson will be at your door as agreed to review your order/purchase on your scheduled delivery date; or you can arrange for a regular "standing order", "which is a selection of products that you have chosen to be delivered each time." "Standing orders" can be changed any time and you still have the flexibility to order additional products each delivery. This is all done in accordance with min/max inventory levels set by you the customer.
2. To ensure that we load correctly in the morning, please email your order directly to your local salesperson 24 hours prior to your scheduled delivery date.
3. If you require immediate delivery and cannot wait until your regularly scheduled date, please contact your Salesperson. Ducan will use all reasonable means to get the product to you.

Terms & Conditions:

Terms: Net 30 days, O.A.C. - 2% per month will be charged on all overdue accounts. account balances over 90 days automatically become C.O.D.

Payments: can be made by cheque, direct deposit, money order, visa, or mastercard. We encourage customers not to remit cash.

* a 2% credit card process fee may be applied at time of payment.

A Statement of Account will be emailed directly to you. Please return with your cheque and the Remittance portion of the Statement. You may leave a cheque available for pickup by your Sales Rep or mail it to our Head Office at the address below.
