

Technical Information DURO-SOLV

Description :

Duro-Solv is manufactured by Ducan as a super solvent cleaner. With this formula we have an advantage of quicker penetration and quicker cleaning. Combination of different chemistry solvents in Duro-Solv bring broader solvency to tackle wide variety of solid, grease, oil, stain, etc. Duro-Solv dissolves solid materials and breaks them down into a smaller particles and carrying them into solution and away from the surface.

Features And Benefits:

Duro-Solv removes wax, silicones, pinstriping and decals. It is a must in the body shop as a paint prep. It removes grease spots from upholstery and carpets. It is effective on tar, oil, grease, crayon, wax, silicones, gums, adhesives, soot, etc.

Application And Dilution:

Duro-Solv is used as is, and needs no dilution.
Spray or hand apply on the surface and wipe off.

Specifications

Color: Colorless

Odour: Hydrocarbon Solvent Odour

Solids: Not Applicable

Packaged: 1 Gallon, 5 Gallon and 200 liter Drum

Composition: Hydrocarbon Solvents

Characteristics: Very High Solvency

Consistency: Liquid

Interior or Exterior Use: Both Interior and Exterior

Application Method: Hand application, Spray and Wipe off

Application Temperature: Between 5.0 C to 30 C

Application Rate: Depending on the amount of contaminants, oil and grease

pH: Not Applicable

Clean up: Clean with Duro-Solv

Shelf life: 3 years

TDG: UN1993 Flammable Liquid, (N.O.S. Naphtha, Methylene Chloride, Isopropyl Alcohol)
Class 3, PGII.

WHMIS: Class: B2 Flammable Liquid, Class: D-A2 Very Toxic Materials.
